QUALITY AND FLAVOUR.

OUR NEW CORPORATE VIDEO,
JUST ONE STEP AWAY

A company in constant growth

Navarra de Embutidos and **Embutidos Coto Real** belong to **Grupo DON 1990** and focus their activity on the production of fresh and cured pork products.

With a strong family tradition, their origins date back to the Domaica family's own pig farming, which over time became a benchmark that combines **the expertise of a traditional craft with the most innovative technology**.

The result of all this effort is an outstanding product and excellent service.

MILESTONE BY MILESTONE

1990 — The production of cured meats begins under the name **Embutidos Ameskoa**, marking the origin of a family tradition devoted to craftsmanship and authentic flavour.

1996 — **Navarra de Embutidos** is founded, a new company that drives the project's growth with the opening of modern **1,000 m² facilities**, marking a decisive step towards the professionalisation of the production process.

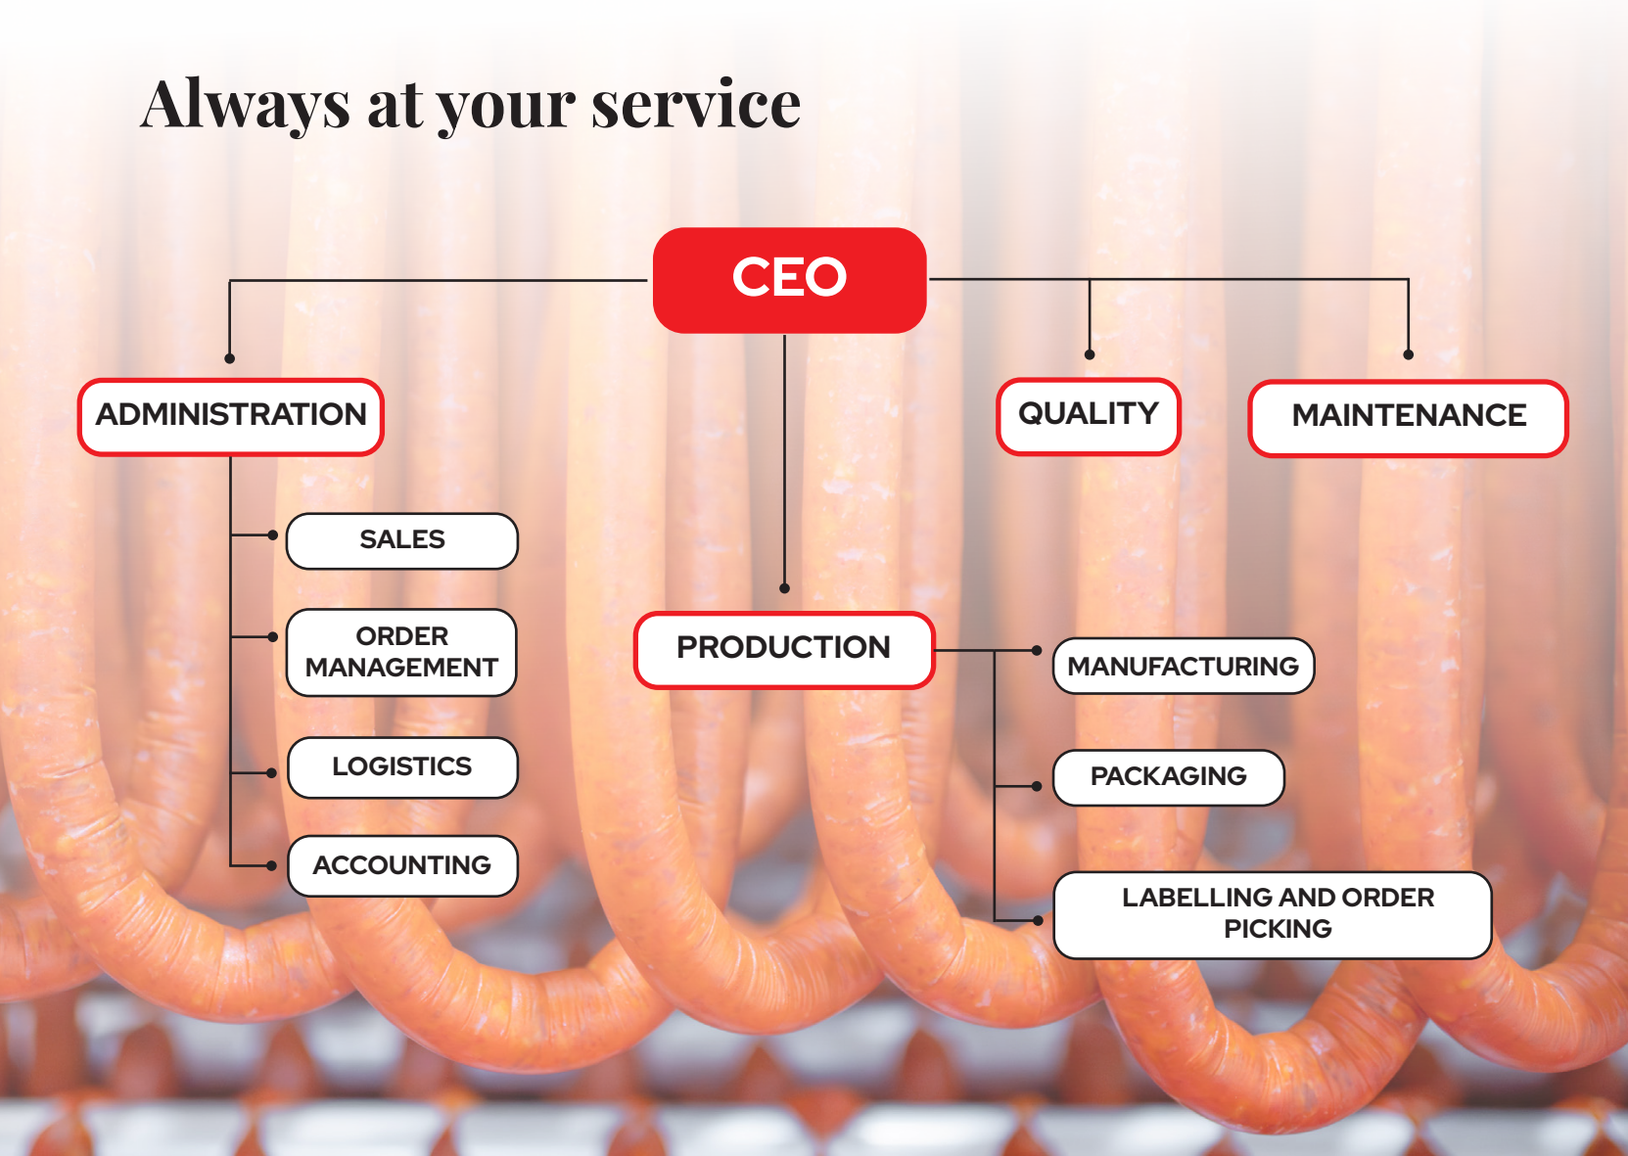

2000 — The company begins supplying **large retail chains** and obtains its **first sanitary certifications**, consolidating its commitment to quality and food safety.

2010 — The company begins its **international expansion**, bringing the flavour and quality of its cured meats to new markets beyond national borders.

2015 — Acquisition of the facilities and brands of **Embutidos Coto Real**, strengthening production capacity and expanding the group's range of cured products.

2025 — **Grupo DON 1990** is established as the owner of Navarra de Embutidos and Coto Real, consolidating a shared project based on tradition, innovation, and the quality that defines all its brands.
