SCHOOL PROFILE AND VALUES

SCHOOL PROFILE

The Justus-von-Liebig School in Mannheim is a place where young people can work towards their professional and personal goals. We provide practical training in a range of trades and place great importance on supporting our students' development as a whole. Our school stands for high educational standards, responsibility and strong prospects for the future.

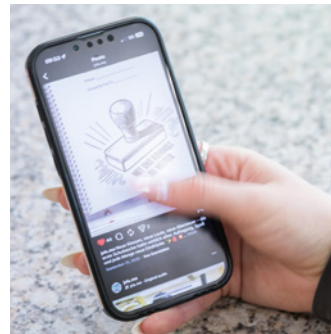

We offer training in a variety of vocational areas:

- Painting, decorating and interior design
- Hospitality and catering
- Hair and beauty
- Food
- Construction and building services
- Electrical installation
- Housekeeping and domestic services
- Carpentry and joinery
- Metalwork and fabrication
- Business and administration
- ...

OUR VALUES

At the Justus-von-Liebig School in Mannheim, we help pupils develop both professional and personal skills. Respect, equal opportunities and non-violent conflict resolution are the values that shape the way we work together every day. Democratic education is an important part of school life and is encouraged through practical projects and shared discussion.

The Justus-von-Liebig School helps each and every pupil grow through a broad support system, allowing students to receive guidance tailored to their learning needs. This creates a learning environment where everyone has the chance to build their personal and professional abilities successfully.

A RANGE OF EDUCATIONAL PATHWAYS

Our school offers a varied range of training opportunities based on our students' interests and strengths. From trade-based training to practical educational pathways, we support young people as they take their next steps towards working life.

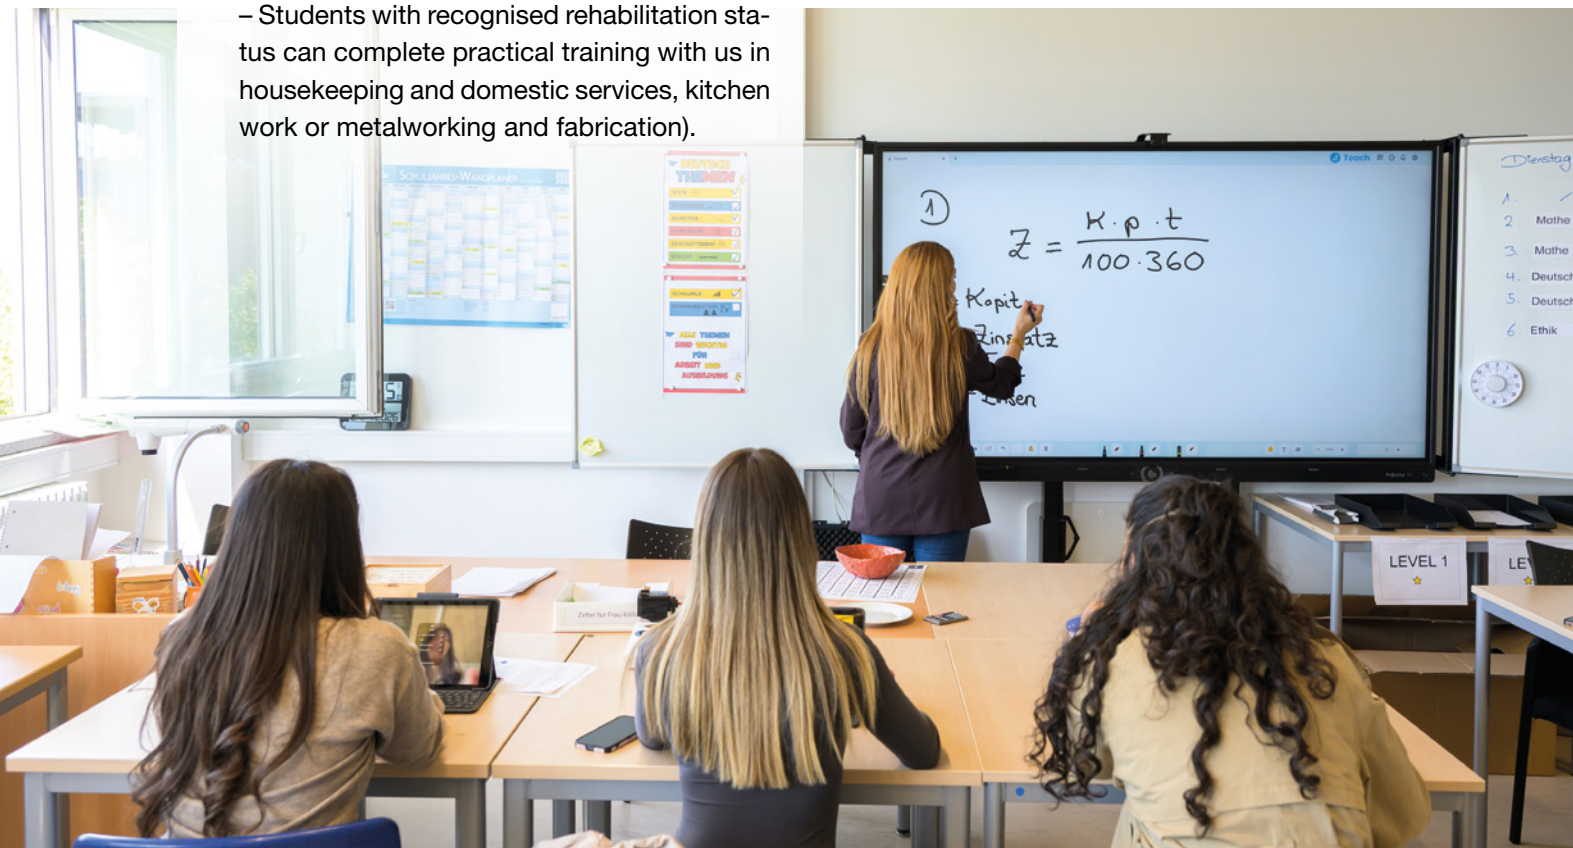

- **Hairdressing** – Develop your creative side and train as a hairdresser through a modern, practical programme.
- **Baking / bakery sales** – These programmes introduce you to all aspects of the trade and of food retail, preparing you for your future career.
- **Hospitality and catering** – Whether in the kitchen or in service, this area helps you build key practical and organisational skills for working in hospitality.
- **Upholstery and interior furnishing** – Creativity and practical craftsmanship are central to this programme, which teaches a broad range of skills in interior design, furnishing and upholstery.
- **Supported vocational training programmes** – Students with recognised rehabilitation status can complete practical training with us in housekeeping and domestic services, kitchen work or metalworking and fabrication).

PRE-VOCATIONAL PROGRAMMES

Our pre-vocational programmes give young people guidance, support and new prospects. Through practical learning, individual support and close educational guidance, we help our students find their way into training, work and independent adult life.

MASTER CRAFTSPERSON TRAINING AND FURTHER EDUCATION

For anyone who wants to take the next step after completing their training, we offer a range of further education opportunities. Our master craftsperson programmes for bakers and hairdressers help you build on your professional skills and prepare specifically for management roles in the trades.
